IN MEMORY OF...

OUR TIME WITH FRIENDS

WRITTEN BY: NIKKI
(CONTRIBUTIONS BY: SP RESIDENTS)

What can I say about Jeffery Scott? He lived a long life...

(Nikki) “We watched the parent trap on the first beach trip together. We went to Roseburg and went to the Oregon zoo. We all took a scenic drive to Washougal and we saw the Ford dealership out of the window. Jeff used to work at the ford dealership- somewhere off the auto mall.”

“Jeff would always say about how he was too shaky and too cold. Milt and Jeff had a good relationship. “

Zoe’s memory of Jeff was- when she came in for evening shift, Jeff would wave out his window to her.

Angela’s favorite memory of Jeff- When they watched Blazer’s games together.

Natalie’s favorite memory of him was Jeff sitting in his favorite chair and watching everything go by. “He asked me to be his back up girlfriend. He thought it was funny. He liked his records and CD’s and radio. To get down and boogie. He lived a healthy and happy long life.”

Averi’s memory of Jeff was- “He’d wave to the cars and we would go to the gas station to fill up for the day or a day trip. Jeff would say you are talking too much. Even though I knew him for a short time I’m so honored to keep these memories alive.”

Samantha C remembers Jeff rearranging all of the cars in his room often. He had lots of Ford Mustangs, and would schedule a “service appointment” with maintenance.

Justin’s memory of Jeff was also the parent trap and spending time together. Justin’s memory of Jeff was he admired his brothers’ cars and he said please move them.

Scott says- “He was very funny.”

Brian said- “He was very stubborn.” Brian made an effort to be his friend. Brian said “Jeff felt like my senior that you look up to that give’s me a sense of what having a father was like.” Brian also said “There was warmth in his smile and that gave me peace.”

(Nikki) “I think Jeff was quick as a whip! Fast on his feet and ready to boogie! He *wanted* to be that way. We are all so intertwined in the most unique ways, Jeff is our glue, and we will miss him dearly. Held deep down in our hearts, but keeping the memories alive. Go boogie, Jeff!”

"People can play video games anywhere. Like on their phone, tablet, computer or gaming console. I would like to be able to play more video games but my chronic migraines stop me from being able to play them."

Susie M.

"The food at Stephen's Place is good because it's tasty, healthy and makes me feel good. My favorite meal is spaghetti because the sauce is tasty."
